**Thank You**

I want to send out a very sincere THANK YOU for all the cards, plants, flowers, phone calls and visits to the house and all who joined us for ***Jerry McCullough's Celebration of Life***. I'm sure DAD would have been proud! A special thank you to Austin Foth and Sarah Bonnell, Robbie and Julie Foth and Judy Kutschara for taking charge in helping with the food and keeping it in line. Thanking Nostrom Catering for a fabulous meal. Otto's for giving us a place to all get together to tell our stories. Titonka Care Center for the great care Dad was given there during his stay. A special thank you to Gentiva Nurse Elizabeth and the other nurses, Tani who all took such great care of him during his final days before going home to find Kevin. Lentz Funeral Home for making sure all our needs were met in our tough time. If I have missed anyone, I apologize.

## Proven Performance

A Pre-Engineered Building from EPS is Designed for Today's Ag Building Requirements:

**Why A Pre-Engineered Building is Superior:**

EPS BUILDINGS AUTHORIZED DEALER

- The entire building package is engineered–not just individual pieces or components.
- Engineered to code for specific snow and wind loads with special attention to bracing.
- Streamlines the entire process from planning through building.
- Identifies potential for problems ahead of time.
